

GLOBAL PACK – 2019

The event is organized by ***M/s. Integrral Business Exhibition & Media LLP***, in association with ***SIES School of Packaging*** and scheduled to be held during ***29 – 30 November & 1st December, 2019 in Pune***. The exhibition will have participation from ***packaging material/package manufacturers and converters, packaging machinery and system manufacturers, ancillary materials and equipment manufacturer, and other related sectors besides with emphasis on enviro friendly packaging***. The under one proof concept would help to bring the packaging and package users together to resolve their requirements and work together for future business development activities.
