

## SIES SOP bridging academia and industry at MSME Expo

SIES School of Packaging - Packaging Technology Centre had a stall in the Maharashtra MSME Summit & Awards 2026 expo held on 27th June in Cidco Exhibition & Convention Centre, Vashi. Sh. Vikas Pansare, MD MSSIDC and the team visited our stall & appreciated our initiatives.

Mr. **Rajesh Kumar Gera** was also one of the panelists in the panel discussion on "Empowering Women Exporters: From Packaging to Global Supply Chains". He spoke about the different activities being undertaken by SOP with focus on academia, testing & consultancy to support the Packaging industry in this total value chain on this niche occasion.
