

## Lecture Series on Packaging Machineries & Systems for SIES students

SIES School of Packaging - Packaging Technology Centre and Institute of Packaging Machinery Manufacturers of India (IPMMI) collaborated to organise a series of Lectures on Packaging Machineries & Systems for the students at SIES. It was a great platform for the IPMMI members to share their years of experience and interact with the future workforce!

SIES SOP would like to thank Dr. Sharayu Sawant, President, IPMMI and the IPMMI India team for the coordination along with Prof. Sanghamitra of SIES SOP. Three weeks (Dec 16, 2021 to Jan 7, 2022) of great learning for the students to delve into the world of packaging machineries & systems!

25 Sessions – 20 Companies – Three Weeks – Dec. 16, 2022 – Jan. 7, 2022 – **Great Knowledge Sharing!!**
